Snow Days and Unexpected School Closures

Several people have asked the question, “When do you call a snow day?” There are many pieces that come into play when this decision is made. The most important variable is the ability to get students to school safely. In order to determine this, local highway superintendents are consulted along with district snowplow drivers. Weather forecasts are monitored, and superintendents from surrounding school districts are referred to. Decisions are made in the interest of student safety after a thorough review.

Sometimes, some parents believe that the roads are too dangerous and question why school is open. If a parent believes that their child/children may be put in a dangerous situation because school wasn’t closed, the caretaker has the right to keep the children home for the day. Please contact the transportation center as early as possible when this option is chosen.

To find out if school is closed, please refer to one of the following:

Facebook: Morrisville Eaton
Twitter: @molloyg1
Website: www.m-ecs.org
Television: WKTV (2), WSTM (3), WTVH (5), WIXT (9), and Spectrum News (10)
Radio: WIBX Stations • Townsquare Media (950, 104.3, 98.7, and 96.1) and Galaxy Stations (96.9 and 102.5)

School Messenger:

In addition to the sources above, School Messenger, our automated phone system, will send out text messages, phone calls, and e-mails as long as we have accurate directory information in the program. These messages will be sent when a closure is decided, but no earlier than 5:45 AM. If you do not receive this call, please contact: Jodi Shantal at 684-9300, so we can update our records.

The Board of Education is responsible for establishing the quality of education in the district. As elected officials, they represent the public in:

- Defining the education philosophy of the district;
- Setting goals and objectives to achieve educational progress;
- Employing professional educators to meet the goals;
- Establishing policies for the operation of the school district;
- Evaluating the effectiveness of district programs and services;
- Developing a budget consistent with educational needs and community resources;
- Communicating the needs and progress of the district to community and educational governing boards.

During regular business meetings, under Privilege of the Floor, the public may participate at this point in the agenda. Those present are invited to comment and ask questions on any aspect of school district operations and procedures. The President of the Board may ask that questions also be submitted in writing in order that an appropriate and complete response may be made after the information is obtained.

The Board welcomes public participation at its meetings. When speaking at meetings, it is helpful if you state your name and address and identify the organization, if any, that you represent. If there are many attendees who wish to address the Board, the President may suggest that speakers confine their remarks to a certain period of time in order to give everyone who wishes an opportunity to speak.

In addition, there are other ways to make your opinions known to Board members and district personnel. The Board of Education welcomes your communication by mail on any issue of concern. Correspondence may be addressed to:

Morriseville-Eaton Central School District, Board of Education
P.O. Box 990, Morrisville, NY 13408

In the event of a specific concern related to a particular grade level or program, residents are encouraged to contact the appropriate district personnel by using the listed directory below.

The Budget Hearing will be held at 7:00 PM in the Middle/High School Library as well.

The Budget Vote will be held from 10:00 AM to 8:00 PM in the Edward R. Andrews Gymnasium.

All meetings are open to the public!
