### Smart Schools Bond Act of 2014

\$2 Billion authorized to NYS Schools

• \$895,411 - MECS Allocation

Can be used for:

- High speed connectivity
- Purchasing learning technology
  - interactive whiteboards
  - computer servers
  - modernize Pre-K facilities
- Install High-Tech Security

### Feedback/Overseers

How to provide feedback or request assistance:

Project Lead the Way  
[pltw@pltw.org](mailto:pltw@pltw.org)  
 or call the Project Lead the Way Support Center

### Vote Approval?

For projects that require voter approval, the school board must hold a public hearing and vote on the project.

### Application Process

How to apply for funding:

- Visit the website at [www.pltw.org](http://www.pltw.org)
- Complete the application form
- Submit the application to the school board
- Wait for the school board to approve the application

### Targets to Achieve Vision

- Modern Technology Infrastructure
- Classroom Computer Access
- Classroom Network
- Classroom Software
- Classroom Hardware
- Classroom Infrastructure
- Classroom Support
- Classroom Security
- Classroom Professional Development
- Classroom Other

### Where Are We In the Process?

Includes: Planning, Assessment, Needs Assessment, Technology Assessment, and Infrastructure Assessment.

Technology Committee should conduct technology needs assessment:

- Conduct
- Update
- Review

Key Elements of the Technology Plan:

- Vision Statement
- Goals
- Objectives
- Strategies
- Budget
- Implementation Schedule
- Evaluation

### What Do We Still Need To Do?

Identify the gaps in the current technology infrastructure and develop a plan to address them.

### Technology Vision

MECS schools will be provided with enhanced instruction and student learning through the purchase and installation of technology-based instructional resources in a safe and secure learning environment.

# Smart Bond 2017

# Smart Schools Bond Act of 2014

\$2 Billion authorized to NYS Schools

- \$895,411 - MECS Allocation

Can be used for:

- High speed connectivity
- Purchasing learning technology
  - ~ interactive whiteboards
  - ~ computer servers
  - ~ computing devices
- Modernize Pre-K facilities
- Install High-Tech Security

# Application Process

## 1. Review Allocation Amount

- \$895,411

## 2. Identify District Needs

- Technology Committee
- Strategic Planning
- 7&1

## 3. Stakeholder Engagement

- Parents
- Teachers
- Students
- Community Members

## 4. Capital Planning

- Building Condition Survey

## Voter Approval?

Not required because the district is not issuing debt.

Funds cannot be used for projects already funded by local bonds.

# Where Are We In the Process?

Strategic Planning is invested in aligning PD to Technology needs.

- Formative Assessment
- Web Development
- Data Analysis
- iPad/Tablet Apps

Technology Committee prioritized technology needs.

Infrastructure

- Cameras
- Switches
- Wireless Systems

Facilities Committee contributed input in plan development

- Facilities Committee Meeting
- Community Involvement

## What Do We Still Need To Do

Involve student stakeholders ✓

Establish a Long-Term Sustainability Plan ✓

Write our Investment Plan ✓

Hold a Public Hearing ✓

Submit our Plan

Implement

## Technology Vision

MECS students will be provided with relevant instruction and build their technological literacy through the guidance and instruction of highly-skilled educators with a technology-based pedagogical approach in a safe and secure environment.

# Targets To Achieve Vision

- Modern Technology Infrastructure
- Computer Lab Upgrades
- Flexible Classroom Environment
- Classroom Computer Access
- User-Friendly Website
- Secure Building Campuses
- Classroom Technology PD
- 1:1 Devices
- Formative Assessment Apps
- Community Connectivity

How do you feel about this plan?  
 Please email your feedback to: [info@mececs.org](mailto:info@mececs.org)  
 or call the hotline at 800-445-7662

### Vote Approval?

Do you support the Smart Schools Investment Plan?  
 Yes/No/Abstain

### Application Process

- How to Apply
- Eligibility
- Application Form
- Application Fee
- Application Review
- Application Approval
- Application Denial
- Application Appeal

### Targets to Achieve Vision

- Modern Technology Infrastructure
- Classroom Lab Upgrade
- Student Support
- Assessment
- Classroom Computer Access
- Open Access Network
- Secure BYOD Program
- Classroom Technology PD
- K-12 Device
- Personalized Learning Apps
- Classroom Connections

### Where Are We In the Process?

Timeline: Planning (Completed), Design (In Progress), Construction (Planned)

- Timeline Assessment
- Design Development
- Design Freeze
- MECS Bid Award

Technology Committee prioritized technology needs:

- Infrastructure
- Classroom
- Mobile Systems

Key Deliverables (to be developed in plan development):

- MECS Contract Awarding
- Community Involvement

### What Do We Still Need To Do?

- Finalize Design
- Finalize Bid
- Finalize Contract
- Finalize Award
- Finalize Construction
- Finalize Installation
- Finalize Training
- Finalize Support
- Finalize Evaluation

### Technology Vision

MECS devices will be provided with content instruction and data for the management of the program. Through the guidance and instruction of technology, students will be able to learn at their own pace and in a safe and secure environment.
